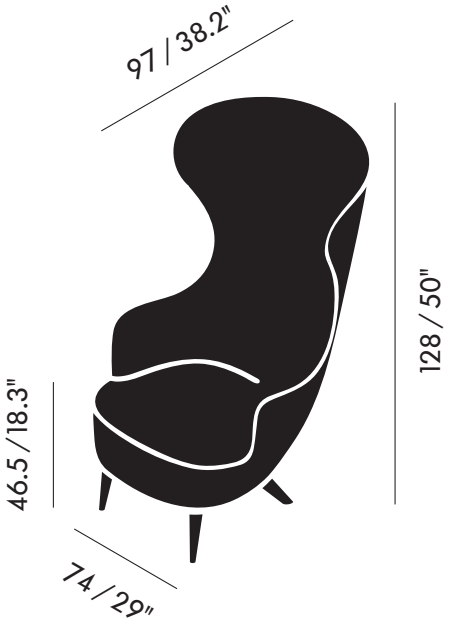
Technical Specification Sheet



Wingback Chair

Wingback Chair is an old classic re-mastered. Inspired by the 17th century archetypical wingback and its smaller sibling the 18th century balloon back, this refined hybrid has been updated and designed for the grandest banquets or as a chair for the fireplace in your living room. Collection also includes a dining chair, an ottoman and a sofa. Available in statement copper legs and a wide range of Kvadrat fabrics and colours.

Process	Frame is made from metal. Shell created in hard polyurethane moulded foam with glass fibre reinforcement. Pocket springs are used in the seating cushions. Fully upholstered with a brass logo hammered to the underneath of every piece.
Year of Design	2015
Material	Steel, foam, upholstery, wood
Product Code	Wingback Chair — Black Legs WC04BL Wingback Chair — Copper Legs WBC04C

Wingback Dining Chair

New addition to the iconic Wingback family, The Wingback Dining Chair is our continued exploration into the world of Members Clubs: a fully upholstered dining chair, inspired by the early Victorian Balloonback chairs. Can be used with our Pylon dining table or any of our existing tables. Collection also includes a chair, an ottoman and a sofa. Available in statement copper legs and a wide range of Kvadrat fabrics and colours.

Process	Frame is made from metal. Shell created in hard polyurethane moulded foam with glass fibre reinforcement. Fully upholstered with a brass logo hammered to the underneath of every piece.
