THE CHAIRIK FAMILY

The possibilities are endless with CHAIRIK, designed by Erik Magnussen. Our popular CHAIRIK is now available in polyurethane (PUR), a highly resilient foam and we are happy to introduce new colors for all CHAIRIK and CHAIRIK XL chairs.

ADVANTAGES

CHAIRIK PUR offers the aesthetic comfort you are familiar with, but with a softer shell. The new shell combines a flexible foam core with a durable outer skin. The exclusive design gives you the experience of an upholstered chair, but with an easy-clean surface.

FEATURES

- 2 sizes (CHAIRIK & CHAIRIK XL)
- Indoor & outdoor use
- 4 classic colors
- Customized colors for orders of 100+ chairs
- Strength & durability test (EN16139 L2)
