Brainstorm

Brainstorm är en mobil, dubbelsidig skrivtavla anpassad för att skapa flexibla möten.

Brainstorm is a mobile double-sided writing board designed for flexible meetings.

Dess stabila konstruktion med aluminiumprofiler, och låsbara hjul gör Brainstorm passande för olika typer av miljöer och mötesrum.

Its stable construction, with aluminium profiles, wheels and brake, makes Brainstorm perfect for a wide range of environments including meeting rooms.

Stommen är tillgänglig antingen i natur- eller vitanodiserad aluminium.

Frame made of silver or white anodized aluminium, with castors.

Använd magneter för att sätta upp viktig information och skriv direkt på E3 emaljytan.

Mobile double-sided magnetic white board with E3 enamel surface.

Every whiteboard in the Abstracta range has an E3 surface; an environment-friendly, glass enamelled, sheet of steel. The writing surface is magnetic. E3 is recommended for short throw projectors only.

A special "White board kit" is available as an accessory. This has been developed to fit the E3 surface and includes: eraser, markers, penholder, bottle of cleaning fluid and magnets.

SilverPro™

SilverPro™ is unique to Abstracta – a frosted glass writing board with a projection and magnetic surface. There is no need to add a projection screen, just project directly onto the glass board. SilverPro™ is recommended for front projection. A special "Magnetic glass board kit Pro" is available as an accessory. This has been developed to fit the SilverPro™ surface and includes: eraser + felts, markers and magnets.

Optical White Glass

Tempered optical white flat glass with lacquered, tempered reverse side. The surface of optical white glass, e.g. Vision, is not magnetic itself.

To achieve the magnetic function, a discrete magnet rail can be mounted on the reverse side; the product is then designated MagVision. Optical white glass is not suitable for projection.

A special "Glass board kit" is available as an accessory. This has been developed to fit the Optical white glass surface and includes: eraser and markers.
