ENVIRONMENTAL WORK & PRODUCTION PROCESS

Abstracta contributes to sustainable development by working systematically to reduce the environmental impact.

- Abstracta has an effective environmental management system that continuously evaluates and improves.
- Environmental aspects considerations are always reviewed before decisions are taken about changes or major investments.
- Abstracta complies with or exceeds the applicable requirements specified in environmental legislation.
- Abstracta demands and monitors the suppliers' environmental impacts.

Abstracta offers responsible furniture production with the least possible environmental impact.

- The Abstracta factory purchases electricity sourced from hydro-electric power.
- The Abstracta factory is heated with locally produced district heating.
- All waste arising at the Abstracta factory are sorted into fractions and disposed in an appropriate manner.
- Abstracta management system is certified according to ISO 9001, ISO 14001 and OHSAS 18001.

ENVIRONMENTAL ASPECTS AIRBLOOM

- There are no emissions to air, water or land at the Abstracta factory during production of Airbloom.
- Upholstery and filling materials in Airbloom contains recycled materials.
- The materials in Airbloom is recyclable, either as material recycling or energy recovery.
- Consumed products are disassembled and taken to a recycling center.

QUALITY AIRBLOOM

Airbloom has been measured and evaluated according to the following standards:

CARE INSTRUCTIONS AIRBLOOM

To preserve the fabric color and appearance of the fabric, Airbloom should be vacuumed regularly with a soft nozzle.

Stain Removal: Use uncolored paper towel or cloth to soak up as much as possible of the stain.

Dried stains should be vacuumed. Moisten the stain lightly with a clean white cotton cloth, lukewarm water and possibly a small amount of pH-neutral detergent. Press a dry cloth or uncolored paper towel against the fabric so that moisture and dirt are absorbed. Repeat moisten and soaking until the stain is gone. Use clean water without detergent at the last moistening. Finish with soaking.

ABOUT ABSTRACTA

With knowledge and experience Abstracta develops products for an inspiring workplace. High quality and timeless design contributes to the long service life of Abstracta products. Abstracta is a Swedish company with its own factory in Småland where both production and development takes place. The company has been operating since 1972 and about 50 percent of production is currently exported worldwide. Abstracta is part of Lammhults Design Group.
