ENVIRONMENTAL WORK & PRODUCTION PROCESS

Abstracta contributes to sustainable development by working systematically to reduce the environmental impact.

- Abstracta has an effective environmental management system that continuously evaluates and improves.
- Environmental aspects considerations are always reviewed before decisions are taken about changes or major investments.
- Abstracta complies with or exceeds the applicable requirements specified in environmental legislation.
- Abstracta demands and monitors the suppliers' environmental impacts.

Abstracta offers responsible furniture production with the least possible environmental impact.

- The Abstracta factory purchases electricity sourced from hydro-electric power.
- The Abstracta factory is heated with locally produced district heating.
- All waste arising at the Abstracta factory are sorted into fractions and disposed in an appropriate manner.
- Abstracta management system is certified according to ISO 9001, ISO 14001 and OHSAS 18001.

ENVIRONMENTAL ASPECTS SCALA WALL

- There are no emissions to air, water or land at the Abstracta factory during production of Scala Wall.
- The sound absorbent filling in Scala Wall contains recycled materials.
- Standard fabric BLAZER is labeled with *EU Ecolabel*.
- The materials in Scala Wall is recyclable, either as material recycling or energy recovery.
- Consumed products are disassembled and taken to a recycling center.

QUALITY SCALA WALL

Scala Wall is labeled with Swedish Möbelfakta which includes quality, environment and social responsibility. Scala Wall is manufactured on the basis of technical, environmental and production ethical requirements. Scala Wall has a N₁₀ sound absorption value of 6. Scala Wall has been measured and evaluated according to the following standards:

- ISO 354:2003
- ISO 11654
- ISO 15186-1

CARE INSTRUCTIONS SCALA WALL

To preserve the fabric color and appearance of the fabric, Scala Wall should be vacuumed regularly with a soft nozzle.

Wool Stain Removal: Dab or wipe gently with a moist cloth.

ABOUT ABSTRACTA

With knowledge and experience Abstracta develops products for an inspiring workplace. High quality and timeless design contributes to the long service life of Abstracta products. Abstracta is a Swedish company with its own factory in Småland where both production and development takes place. The company has been operating since 1972 and about 50 percent of production is currently exported worldwide. Abstracta is part of Lammhults Design Group.
