ENVIRONMENTAL WORK & PRODUCTION PROCESS

Abstracta contributes to sustainable development by working systematically to reduce the environmental impact.

- Abstracta has an effective environmental management system that continuously evaluates and improves.
- Environmental aspects considerations are always reviewed before decisions are taken about changes or major investments.
- Abstracta complies with or exceeds the applicable requirements specified in environmental legislation.
- Abstracta demands and monitors the suppliers' environmental impacts.

Abstracta offers responsible furniture production with the least possible environmental impact.

- The Abstracta factory purchases electricity sourced from hydro-electric power.
- The Abstracta factory is heated with locally produced district heating.
- All waste arising at the Abstracta factory are sorted into fractions and disposed in an appropriate manner.
- Abstracta management system is certified according to ISO 9001, ISO 14001 and OHSAS 18001.

ENVIRONMENTAL ASPECTS UNITI WHITEBOARD

- There are no emissions to air, water or land at the Abstracta factory during production of Uniti whiteboard.
- Wood used in Uniti whiteboard meets applicable requirements for traceability.
- Uniti whiteboard E3 writing surface contains recycled material.
- The materials in Uniti whiteboard is recyclable, either as material recycling or energy recovery.
- Consumed products are disassembled and taken to a recycling center.

QUALITY UNITI WHITEBOARD

Uniti whiteboard is labeled with Swedish Möbelfakta which includes quality, environment and social responsibility. Uniti whiteboard is manufactured on the basis of technical, environmental and production ethical requirements. Uniti whiteboard has been tested and evaluated according to the following standards:

- SS-EN 14434:2010
- EN 14434:2010

CARE INSTRUCTIONS UNITI WHITEBOARD

Remove any protective film from the whiteboard and clean the surface properly before first use. Ordinary used whiteboards should then be cleaned a couple of times per week. The whiteboard must be absolutely dry when used. Only use pens intended for whiteboards. Replace the felt on the eraser on a regular basis. Clean the whiteboard as follows:

- Wipe clean with approved cleaning fluid intended for whiteboards.
- Then wash away residual cleaning fluid with only lukewarm water.
- Dry with a cloth.
- Repeat if necessary.
- Slightly used boards can be washed with only lukewarm water.
- Dry with a cloth.

Note: Avoid cleaners not intended for whiteboards (e.g. soap or detergent) since remains can degrade eraser ability.

ABOUT ABSTRACTA

With knowledge and experience Abstracta develops products for an inspiring workplace. High quality and timeless design contributes to the long service life of Abstracta products. Abstracta is a Swedish company with its own factory in Småland where both production and development takes place. The company has been operating since 1972 and about 50 percent of production is currently exported worldwide. Abstracta is part of Lammhults Design Group.

Abstracta offers responsible furniture production with the least possible environmental impact.

- The Abstracta factory purchases electricity sourced from hydro-electric power.
- The Abstracta factory is heated with locally produced district heating.
- All waste arising at the Abstracta factory are sorted into fractions and disposed in an appropriate manner.
- Abstracta management system is certified according to ISO 9001, ISO 14001 and OHSAS 18001.

ENVIRONMENTAL ASPECTS UNITI WHITEBOARD

- There are no emissions to air, water or land at the Abstracta factory during production of Uniti whiteboard.
- Wood used in Uniti whiteboard meets applicable requirements for traceability.
- Uniti whiteboard E3 writing surface contains recycled material.
- The materials in Uniti whiteboard is recyclable, either as material recycling or energy recovery.
- Consumed products are disassembled and taken to a recycling center.

QUALITY UNITI WHITEBOARD

Uniti whiteboard is labeled with Swedish Möbelfakta which includes quality, environment and social responsibility. Uniti whiteboard is manufactured on the basis of technical, environmental and production ethical requirements. Uniti whiteboard has been tested and evaluated according to the following standards:

- SS-EN 14434:2010
- EN 14434:2010

CARE INSTRUCTIONS UNITI WHITEBOARD

Remove any protective film from the whiteboard and clean the surface properly before first use.

Ordinary used whiteboards should then be cleaned a couple of times per week. The whiteboard must be absolutely dry when used. Only use pens intended for whiteboards. Replace the felt on the eraser on a regular basis. Clean the whiteboard as follows:

- Wipe clean with approved cleaning fluid intended for whiteboards.
- Then wash away residual cleaning fluid with only lukewarm water.
- Dry with a cloth.
- Repeat if necessary.
- Slightly used boards can be washed with only lukewarm water.
- Dry with a cloth.

Note: Avoid cleaners not intended for whiteboards (e.g. soap or detergent) since remains can degrade eraser ability.

ABOUT ABSTRACTA

With knowledge and experience Abstracta develops products for an inspiring workplace. High quality and timeless design contributes to the long service life of Abstracta products. Abstracta is a Swedish company with its own factory in Småland where both production and development takes place. The company has been operating since 1972 and about 50 percent of production is currently exported worldwide. Abstracta is part of Lammhults Design Group.
