## Move-It features

The 135° open hip angle helps to rock the pelvis forward, creating a neutrally stacked lumbar. This serves as the foundation of a healthy spine posture. Move-It combines both play and function, for various types of spaces. Ideal for cafe areas, break room & gathering spaces. Move-It regains neutral upright position when not in use. Move-It combines both play and function, for various types of spaces. Ideal for cafe areas, break room & gathering spaces. Move-It regains neutral upright position when not in use.

### Seat & Handle

Seat pad is upholstered in fabric. Sturdy handle for moving chair around.

### Height Adjustment

Seat height buttons easily access under the seat. Height is controlled by a gas spring which is hidden by a cylindrical cover to give Swing a single continuous form.

### Gas Spring & body

Gas spring's column are in silver epoxy powder coating. All visible shells are in black polypropylene.

### Base Pad

A trumpet-shaped base further enhances the sleek profile. An internal counterweight provides self-stabilizing action, while a soft elastomer sole grips different types of floor surfaces.
