

# Beso Table

Khodi Feiz 2021

## Tabletop

**A: Material:**  
Top coat:

24 mm plywood  
- laminate Arpa Fenix  
- oak veneer (F06) with standard oil finish  
- veneer, transparent laquered  
plywood, chamfered milled  
- In case of laminate; transparent laquered or  
transparent oil finish.  
- In case of veneer; edge oiled or lacquered as  
table top.

Finishing edge:

or

**B: Material:**

12 mm compact.

Top coat:

Arpa Fenix.

Finishing edge:

chamfered milled, double sided with matching  
color core.

or

**C: Material:**

25 mm massive oak (certain sizes)

Top coat:

transparent laquered  
or in a standard oil finish.

Finishing edge:

chamfered milled, as top coat transparent lacquered  
or with oil finish.

## Base

In a standard structure powder coat color.

Legs fitted with adjustable feet. As an option available with felt.

## Solid oak beam in base

If the table top is solid oak or veneered, the beam has a standard oil finish.

If the table top is chosen in laminate or compact, then the beam is lacquered  
as the chosen powder coat color. There may be a color difference between  
the same color powder coat and paint.

## Delivery

If possible, tables are delivered assembled.
