CLASS

The successful stacking and linking philosophy that Casala has integrated in its Lynx and Monolink chair forms the basis of Class. A seminar table with a slender frame which also has an integrated linking system in its design. Class is available in a single and double user version and is perfectly suitable for educational purposes.

DESIGN LINKED TO FUNCTIONALITY

Casala specialises in the production of stylish contract furniture that excels in both design and functionality. With our furniture we offer solutions for various spaces and occasions. "Design linked to Functionality" is deeply rooted within the DNA of our organisation and plays a major role in the design process. We work together with leading designers in our industry. A hundred years of experience in the furniture industry guarantees that Casala furniture also offers a lot of comfort and ease of use in addition to good design.

NL

De succesvolle stapel- en koppelfilosofie van Casala's Lynx stoel vormen de basis van een nieuw product: Class. Een congres tafel met een slank frame, waarbij het koppelsysteem ook in het ontwerp is geïntegreerd. Class is verkrijgbaar in een enkele en dubbele gebruikersversie en is geschikt voor educatieve doeleinden als schooltafel en examentafel, alsmede voor presentatie- en congreszalen.

DE

Das erfolgreiche Stapel- und Verbindungssystem, mit dem bereits Casala Lynx ausgestattet sind, bildet nun die Grundlage für ein neues Produkt: Class. Ein Seminartisch mit schmalen Rahmen und integriertem Verbindungssystem. Als Ein- und Zweisitzer erhältlich ist Class für Bildungseinrichtungen sowie Präsentations- und Seminarräume perfekt geeignet.

FR

La philosophie à succès d'empilage et d'assemblage que Casala a intégré à Lynx forme désormais la base d'un nouveau produit : Class. Une table de formation au cadre élancé qui possède également un système d'assemblage intégré à son design. Class est disponible en version simple ou double et est parfaitement adaptée aux milieux scolaires, aux salles de formation et de séminaires.
