Ogle Mini

ateljé Lyktan

MEMBER OF THE FAGERHULT GROUP

In 2009, design studio Form Us With Love created the luminaire called Ogle. There was a gap in the market for pendant spotlights that could be easily adjusted to direct the light. "We wanted a lamp that looks good by itself but also among a group of lamps.

Since the lamp has the functionality of a spotlight, we wanted it to complement furniture and other lighting in an interior setting. We also wanted to be able to place a number of lamps together without them dominating the room," says John Löfgren.

Now there is a new addition to the Ogle series – Ogle Mini – a lamp measuring only 90 mm in diameter, cast entirely in aluminum.

**"We wanted a lamp that
looks good by itself but
also among a group of
lamps."**

Ogle Mini

Material Installation

Die-cast aluminium.

Pendant: Suspended from cable, 3 m or tube pendant 0.5, 0.7 or 1 m. **Wall:** Mounted on wall bracket with two-point suspension. External cable possible.

Ceiling: Mounted on 3-phase rail or FixPoint fitting.

Pendant: Feed cable 2x0.75 mm². Rose with terminal block 2x2.5 mm² and lamp plug. Halogen-free cable.

Wall: Terminal block 3x2.5 mm². **Ceiling:** 3-phase multi-adapter, included in luminaire.

Black NCS 8000-N or White NCS S0500-N G20.

Recommended light source is dimmable.

Design by Form Us With Love.
