EarChair

Design by Jurgen Bey, Studio Makkink & Bey

- **Creates an intimate setting in sets of two or four**
- **Extended ears provide cocoon-like insulation**
- **Ideal place for a meeting or a quick chat**

The EarChair by Studio Makkink & Bey is a statement piece in every office; sturdy in design and appealing in shape, this chair is sure to turn heads. In sets of two or four, the EarChair creates an intimate setting that ensures minimal distraction from the hustle and bustle of the office environment. The extended ears provide a cocoon-like insulation; the acoustics have been tested to perfection making it an ideal place for a meeting or a quick chat.

With a variety of customisation options with regards to colour, fabric and ear size, there are plenty of opportunities to make the EarChair setup a welcomed addition to any space.
